Invitation - "Best Practices: Medium and Small Scale Chemical Industry Disaster Management and Promotion of Safety and Security Legal and Regulatory Standards", Gandhinagar, Gujarat, India, 22-23 January 2015

Dear Mr Chaudhary,

We have pleasure in informing you that the Gujarat National Law University is organising and hosting international conference on the "Best Practices: Medium and Small Scale Chemical Industry Disaster Management and Promotion of Safety and Security Legal and Regulatory Standards" on **22 and 23 January 2015** at GNLU, Gandhinagar (Gujarat), India. The Conference is organised in collaboration with the Organisation for the Prohibition of Chemical Weapons, the Industrial Extension Bureau and the Gujarat Institute of Disaster Management, Government of Gujarat. The Conference is part of the Vibrant Gujarat Summit 2015 and will be inaugurated by Mr Saurabh Patel, Minister for Chemicals and Petrochemicals, Industry and Mines, Government of Gujarat.

The main aims of the conference are; to discuss evolving best legal and regulatory framework aspects on the chemical safety management in the Western Europe, North America, Japan and other industrial nations of Asia-Pacific; to analyse existing legal, policy and regulatory framework on chemical safety and disaster prevention management in India and developing countries; to prepare a draft model chemical safety and disaster prevention manual for medium and small scale chemical industry, to exchange knowledge on best practices observed by leading chemical industrial nations and to understand the legislative requirements related to safe chemical handling to prevent workplace accidents. The conference aims to bring chemical industry associations, experts, senior officials from the regulatory authorities and relevant government departments, researchers and academicians from different parts of the world.

We have pleasure in extending you a warm invitation to inaugurate the Conference and chair one of the substantive sessions of the conference. Please kindly find attached a copy of the conference brochure.

Special Request: We kindly request your good offices to circulate the news of the conference for the wider benefit of the medium and small scale chemical industry and also place on the Department of Chemicals and Petrochemicals website. A line of encouragement for participation from your office to our chemical industry will be gratefully appreciated.

We would be grateful for your kind acceptance of our invitation.

Dr Thomas Mathew / Ms Heena Goswami and our Organising Team (email: iccidm@gnlu.ac.in) will be happy to provide you more information about the event and practical arrangements.

Looking forward to hearing from you, we remain.
